# Sample Closing Script

- What we just experienced is a feast of God's Word -- spiritual food for our souls.
- [Slide 1] It only takes about 90 hours to finish all 66 books of the Bible, which means if you do the Public Reading of Scripture two hours a week you'd almost finish it in about a year.
- PRS is a way for us to know who God is, who we are, and who we are called to be.
- [Slide 2] By reading it just like we did today -- listening in community, as part of a regular practice, for a meaningful length of time using the highest-quality recordings -- we train ourselves spiritually to hear God speak.
